

## ACES NOTIFICATION # 32:

### ATTENTION: ALL EMPLOYERS

An automatic purge process has been implemented in the ACES "Status" folder. Effective Monday, March 15, 2004, all records located under "Retrieve Files" and "Get Status" that are older than 60 days will have been purged, with the exception of some files pertaining to User Account Maintenance. This process will run nightly in order to maintain only records up to 60 days old.

#### *Reminder:*

Please use the Name Suffix (Jr., Sr., MD, Ph.D., etc.) field, if applicable, when keying names in ACES. It has been identified that member and dependent names have been keyed with name suffixes in the Last Name field or in the Last Name field AND the Name Suffix field. These have caused data discrepancies in the CalPERS database.
